Key # STOCT-87

If you know these colors, you already know how to play.

Kids, learning to play a Casio *MUPPETS* Keyboard is as easy as telling one color from another. No kidding.

With the EP-10 *BABY KERMIT* keyboard, you simply match the colors below the keys with the colors in its own music book. It's that easy. You get four preset

sounds to play with—piano, flute, violin and fantasy. And then built-in rhythms with a tempo control to help you keep time. It even has a built-in tune to show you what it can do.

Our EP-20 *MUPPETS* keyboard—the one with *Kermit the Frog* and *Miss Piggy* on it—has a special Melody Guide that leads your fingers across the keys with flashing lights. You'll love the tunes—they're some of the *Muppets*' greatest hits. And you'll be able to play them using eight instrument

sounds and 12 auto rhythms.

If you know the difference between red and green or blue and yellow, you already know how to play. And just as sure as *Kermit* is an adorable green frog, you know you're going to have fun.
